Copy of letter No.707/49 dated 5-2-51 from the Inspector of Fisheries, Udipi to the Asst. Director of Fisheries, Mangalore.

Sub: Fisheries School - Padubidri - Well and urinal - Construction of

Ref: Asst. Director's Memo No,992.F/47 dated 3-11-50 and reminder thereon.

The Deputy Inspector of Schools, Udipi South and the Personal Asst. to the Dt. Educational Officer, South Kanara, Mangalore have remarked in their Inspection remarks on the above School dated 9-12-49 and 13-1-50 respectively, that the urinal should be provided for the school. The extracts from the above inspection remarks are submitted herewith for perusal. On hearing about those remarks the owners of the building informed my predecessor, it seems, that they wanted to finish up all the works connected with the School before the commencement of the fishing season and when the cement was available for the work. If they wait for orders, it is probable that the delay may occur to receive the orders and if the orders were received during the fishing season and when cement would not be available, they would not be able to carry out the work. On that basis the owners have constructed a urinal of course without proper orders permitting them to do so.

1. The urinal constructed is a pucca and with separate compartments for boys and girls but not in their own site. It has been constructed in the Government site near the school which is under the consideration of assigning or alienating to the Samithi

The owner has requested for the payment of rent for the urinal

1 MAR 1952 DEVELOPMENT DEPARTMENT

Sir,

Sub: Education - Fisheries School - Padubiri - South Kanara District - Construction of a Well and urinal - enhancement of rent - requested.

****

A monthly rent of Rs.45/- was sanctioned for the building in which the Padubiri Fisheries School, South Kanara District is located in G.O.M.S.No.4322, Dev. dated 28-10-50. Since the School was found in need of a well the Director of Industries and Commerce in his Memo. D.Dis.No.4500 H5/49 dated 6-7-49 permitted the owners of the building to excavate a well for the School on the assurance of being paid the rent fixed by the Public Works Department. Accordingly the construction of the well was completed and taken over by this Department on 24-10-50. In the meanwhile when the Deputy Inspector of Schools Udupi South and the Personal Assistant to the District Educational Officer, South Kanara, Mangalore inspected the School on 9-12-49 and 13-1-50 respectively and remarked that a urinal should be provided for the School. This question was also taken up for consideration but permission could not be granted for the construction a urinal for want of space. The site on which the School is situated belongs to a Samithy known as Kadipatna Nadipatna Vidya Prachara Samithy. Therefore the question of assigning or alienating 2 acres of land in S.No.259 /I.N. and 258/1A of No114 of Nadisal Village, Udupi Taluk, South Kanara District to the president of the above said Samithy was taken up with the Collector of South Kanara to enable the Samithy to construct a urinal with two compartments and to use the remaining land as play ground for the pupils. But the Collector, South Kanara in his letter No.D.Dis.22574-51 dated 20-10-51 stated that the land in question could not be assigned or alienated since it is entered in the Prohibitory order book. He also stated that there is however no objection to the Children of the School using the plot as a play ground. The Samithy on the presumption that the land will be assigned or alienated to it, constructed a place urinal with two separate compartments for boys and girls in anticipation of sanction in the above said Government Poromboki land. The urinal was also taken over by the Department on 24-10-50.

The Ex-Engineer, Public Works Department, Mangalore has fixed a monthly rent of Rs.4-8-0 and Rs.1-8-0 for the well and urinal respectively in his certificate No.1825 M dated 12-7-51 (Copy enclosed). The Assistant Director Mangalore reports that the construction of a urinal in the Government Poramboke land was brought to the notice of the Ex-Engineer Public Works Department Mangalore while addressing him to fix up the rent for both the well and urinal.

In the circumstances stated above, I request that sanction of Government may kindly be accorded for the payment of an enhanced rent of Rs.51/- per mensem with effect from 24-10-50 for the building in which the Padubidri Fisheries School Nadipatna, South Kanara District is located.'
